

Corporate Profile

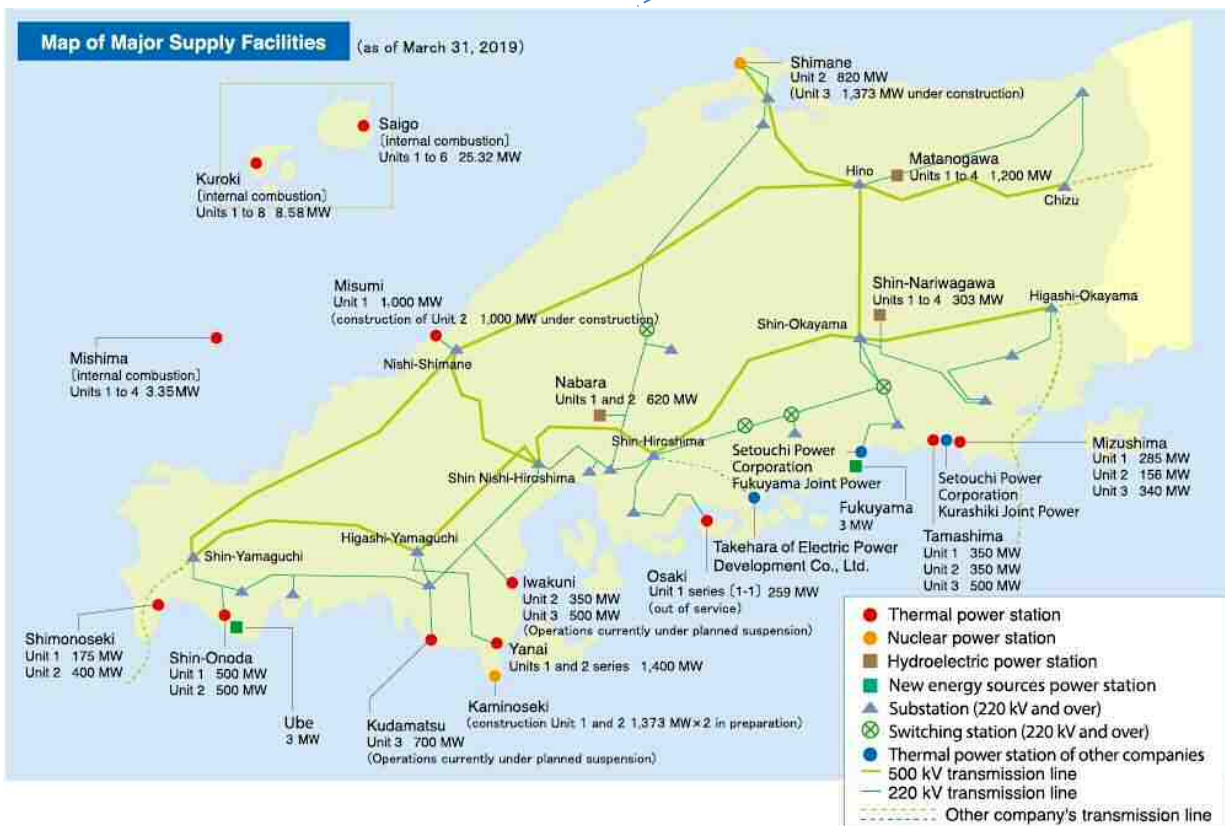

For over half a century since its founding in 1951, The Chugoku Electric Power Co., Inc. has fulfilled a mission of providing a stable supply of electricity and has thereby contributed to the development of its region.

The Chugoku Region, which forms the main part of our supply area, is located at the western end of Japan's main island of Honshu and has an area of 32,000 square kilometers and a population of roughly 7.3 million. The region contains a large number of manufacturing hubs, in fields such as machinery, chemicals and steel, which are pillars of Japan's manufacturing industry.
