(Progress of Disclosure Matters) Notice Regarding Extraordinary Loss on Decommissioning of Thermal Power Plants

In the “Notice of Decommissioning Thermal Power Plants” announced on May 23, 2022, the amount of extraordinary loss on decommissioning of these facilities to be recorded in the first quarter of the fiscal year ending March 31, 2023 was “under evaluation”, but the amount has now been determined.

1. Details of Extraordinary Loss

Impairment losses on fixed assets and losses on valuation of supplies, totaling 8.6 billion yen, were recorded as loss on decommissioning of thermal power plants.

2. Impact on Business Performance

For details, please refer to the “Summary of Consolidated Financial Results for the First Quarter of the Fiscal Year Ending March 31, 2023 [Japanese GAAP] (Consolidated)” separately disclosed today.*

** Since the relevant sections are not translated into English, please refer to page 3, “Income Statement <Consolidated>” of “Supporting Document of FY2023-1Q Financial Results” instead. (https://www.energia.co.jp/e/ir/info/financial_rep.html)*
